Book of the Week

The Stars My Destination by Alfred Bester is the study of a man completely lacking in imagination or ambition. Fate transforms Gulliver Foyle in an instant; shipwrecked and abandoned in space, Foyle becomes a monomaniacal and sophisticated monster bent upon revenge. Wearing many masks, learning many skills, this "worthless" man pursues his goals relentlessly; no price is too

high to pay.

Movie of the Week

The Wrestler is a 2008 film directed by Darren Aronofsky, written by Robert D. Siegel, and starring Mickey Rourke, Marisa Tomei, Evan Rachel Wood, and Ernest Miller. A faded professional wrestler must retire, but finds his quest for a new life outside the ring a dispiriting struggle.

Album of the Week

Saturdays = Youth is an album by French electronic group M83 released on April 14, 2008. The album was recorded with Ken Thomas (known for his work with Sigur Rós, The Sugarcubes, Cocteau Twins and Suede) and Ewan Pearson (who has also produced for Tracey Thorn, The Rapture

and Ladytron).
